## **PARENT NETWORK REPRESENTATIVE 2020**

St Clare of Assisi Primary School has a network of parents who work together to establish and strengthen relationships amongst parents, families and the school. We are a friendly, informal group who recognise that it is not always easy to find time to volunteer, so we keep the focus on sharing small tasks in an understanding "no pressure" atmosphere.

Some of the activities that our Parent Network undertake include:

Acknowledging staff birthdays and special events;
Welcoming new families to the school;
Regular communication with classroom teacher;
Assisting with provision of Care Meals for our freezer;
Volunteering at school events;
Arranging occasional year level social events (i.e. family picnic or dinner);

Fostering a friendly, welcoming school community.

If this sounds like something you wish to be involved in please contact our Parent Network Coordinator, Anne Scollen on 0414 433 710 or email SCAparentnetwork@outlook.com.au
